

MISSION STATEMENT for The Well

THE VISION OF THE WELL is of local people seeking to create Christian community through welcome, hospitality, care and prayer.

In the pursuit of this vision we currently aim to run projects such as a café, a charity shop and groups for older people, young people, and those with particular need or interests, a Food Bank and associated services – and offer our premises to support any project and organisations where people can find companionship, assistance, care and encouragement.

The Well is a place where people of any faith or none may find a real and heartfelt welcome.

There are opportunities for anyone who wishes to talk about Christian faith, whether out of mild interest or because they want to know more in order to make up their own minds about Christianity.

The Trustees and Managers who run the Well will work with teams of leads and volunteers to communicate and develop an understanding of the Well's Vision.

On the Booking Form:

Anyone who wishes to hire the premises will be expected to have values and aspirations consistent with Christianity and with the Well's Vision of offering Christian welcome, hospitality, care and prayer to people of any faith or none.
