

The
WELL
KIBWORTH

21 May 2020

The Well would like to express enormous gratitude to The Wooden Spoon Society of Rugby for their generous donation of £1000.00 out of 'The Wooden Spoon Emergency Funding Project' in aid of new initiatives starting in response to the Covid-19 pandemic. The funding is specifically for our work with vulnerable families, young people and children and will be invaluable as we develop relationships and provision in this area now and in the future.
