

Fire Fighters' Charity Walk up Mount Snowdon

On 8th October, Fire Fighters from the crew at Kibworth Fire and Rescue Station will be attempting to climb Mount Snowdon wearing full Fire Kit in a bid to raise money for charity.

They have set a sponsorship target of £1,085, which is £1 for each metre climbed to the summit of the Welsh mountain. The money raised will be donated to The Fire Fighters Charity and to The Well.

The Fire Fighters Charity is a cause that works to support firefighters and their families mentally, physically and socially if they need help.

You can support this wonderful challenge at

<https://www.peoplesfundraising.com/fundraising/MountSnowdonCharityWalk>

and if you would like to join them on their climb, please speak with Christine Faulconbridge.
