Countdown to Christmas

Glowing...

We were so happy to open our doors to customers again on Wednesday, both in the Charity shop and the Cafe for **takeaways**. While the weather didn't help to entice people in for takeaway, the atmosphere was cosy and welcoming and it was so lovely to welcome back old friends whilst welcoming some new (welcome to Rita who started in the shop on Friday).

If you've resisted thus far, please do pop in if you can to see the team and admire the decor!

Cafe: every week day morning from 9a.m - 1.00p.m

Shop: every weekday afternoon from 1.30p.m - 4.30p.m

Food Bank

We've had a busy week at the Food Bank and were completely flabbergasted by two wonderful donations at the close of it: a mini-bus load of food donations from Kibworth High School and a monetary gift from the Rotary.

We are also launching our new voucher scheme this week, which will enable households to purchase fresh products independently.
